

New Lease Signed at McKinney Medical Plaza Project

February 14, 2011

Stonebridge Pediatrics signed a 10,000-square-foot long-term prelease for Building 1 of the new McKinney Medical Plaza project in Dallas, which broke ground in November.

The development will be comprised of three medical office buildings totaling 21,617 square feet. Delivery of Phase I is scheduled for June, Phases II and III will commence directly upon lease execution.

The complex is located within 5 miles of local hospitals: Medical Center of McKinney, Medical Center at Craig Ranch and Presbyterian Hospital of Allen. The joint project was put together between PM Realty, Keystone Investments and Stonebridge Pediatrics, a physicians group. Ryan Dale Of PM Realty Group is the primary leasing contact for the property. (By Shavez Rogers)
