

Executive Profile

Steven Smith

Senior Vice President
Development & Investments

In the role of Senior Vice President of Development and Investments, Mr. Smith generates national investment and development opportunities and complex acquisition and disposition strategies for PM Realty Group (PMRG). Mr. Smith additionally executes development related initiatives and oversees the asset management function for PMRG's healthcare division.

Mr. Smith's prior experience most recently includes over ten years of healthcare development and investments with both Quorum Equities and Edge Realty Partners.

Smith came to PMRG having advised on a broad range of strategic issues, including healthcare/commercial development, joint ventures, mergers & acquisitions and the restructuring and divestiture of numerous assets. His assignments have included Fortune 500 companies as well as major healthcare systems including Yahoo, Target, Starbucks, McDonald's, Neiman Marcus and Costco; Texas Health Resources, Baylor Healthcare System and Tenet Healthcare Corporation, representing an aggregate principal amount of over \$1 billion.

Mr. Smith holds a dual BBA in Finance/International Business from Baylor University.
